CONTRACTORS BOARD OFFICES TO CLOSE; OPERATIONS LIMITED TO EMERGENCY-RELATED MATTERS

HENDERSON and RENO, Nev. – Effective 12:00 p.m. March 18, 2020, at the direction of Governor Steve Sisolak, the Nevada State Contractors Board will be closing its offices and limiting its operations to provide emergency-related efforts as feasible.

Contractors with an immediate need may leave a phone message at (702) 486-1100 or (775) 688-1141 and staff will do their best to respond. Emergency requests may also be e-mailed to CustomerService@nscb.state.nv.us. *Please note that due to extremely limited resources during this time, there may be delays in the Board's response.*

Customers may continue to mail applications, forms or complaint documents to the Board's offices; however, they may not be processed until the office hours are reinstated.

We understand the impact this decision may have to our customers and apologize in advance for any disruption or inconvenience caused. The ongoing protection of the public's health remains our top priority. We continue to encourage everyone to follow all preventative measures as directed by state and federal authorities.
