C-2 CONTRACTOR ALERT!

The Nevada State Contractors Board is warning C-2 Contractors to be on the alert for an unlicensed company called **American Electrical Services**, currently advertising its services in full-page advertisements in local telephone book directories in Southern Nevada.

American Electrical Services is known to dispatch unlicensed technicians to homes using the name **Desert Lights Electrical**, a company that voluntarily surrendered its contracting license (*number 60758*) on Sept. 4, 2007. Homeowners are being charged excessive fees for normal and routine services.

C-2 Contractors are requested to contact the Nevada State Contractors Board (NSCB) at: 702-486-1100, Ext. 1144, if they are approached to enter into partnerships with any companies using the names American Electrical Services or Desert Lights Electrical.

The following unlicensed company names have also been identified as being associated with American Electrical Services:

- **Fast 60 Minutes Service**
- **USA Plumbing & Electrical**
- **59 Minute Service**

-- more --

- **1 Hour Response**
- **USA Home Service**
- **USA Services**

The Nevada State Contractors Board revoked USA Plumbing and Electrical's license on Feb. 21, 2007, for violations of Nevada Revised Statute 624 for misrepresentation of a material fact; a fraudulent or deceitful act; contracting on a name not on the license; failure to include the company name and license number in an advertisement; and failure to establish financial responsibility.
