MINUTES OF THE HEARING BEFORE THE NEVADA STATE CONTRACTORS BOARD HELD NOVEMBER 12, 2002

The hearing was called to order at 10:00 a.m. on Tuesday, November 12, 2002, at the offices of the State Contractors Board, 9670 Gateway Drive, Reno, Nevada 89521. The hearing was videoconferenced to the offices of the State Contractors Board, 2310 Corporate Circle, Suite 200, Henderson, Nevada 89074. Exhibit 1 is the Notice of Intent to Act Upon a Regulation and a copy of the proposed regulation. Exhibit 2 is the Sign-In Sheet.

STAFF MEMBERS PRESENT:

In Reno:

Ms. Margi Grein, Executive Officer
Ms. Nancy Mathias, Licensing Administrator
Mr. Frank Torres, Assistant Director, Investigations

In Henderson:

Mr. George Lyford, Director, Special Investigations
Mr. Chris Denning, Director, Compliance Investigations

OTHERS PRESENT

Curt Weagle, Building Official, City of Sparks
Bobbi Leighton, Permit Services Coordinator, City of Sparks

Ms. Grein called the hearing to order and explained the purpose of the hearing is to receive public comment on the proposed regulation to amend Chapter 624 of the Nevada Administrative Code to establish the requirements for granting an exemption to an owner of property pursuant to NRS 624.031(4). She indicated that the notice of the hearing had been posted in compliance with NRS 233B at the Las Vegas City Hall, the Sawyer State Building, Clark County Library, Washoe County Courthouse, Washoe County Library, Reno City Hall and the offices of the State Contractors Board in Reno and Henderson.

Ms. Grein indicated that there had been no opposition or comments received at the workshop conducted prior to this hearing; no written comments had been received and that the regulation as written would be placed before the Board for adoption as a temporary regulation at its next Board meeting scheduled for November 20, 2002.

Ms. Leighton requested clarification whether an affidavit would require Nevada State Contractors Board approval and what type of projects would require the affidavit. Ms. Grein indicated that presentation of the form approved by the Contractors Board would be the only approval required and further advised that any project that requires a building permit would require the signed affidavit.

There were no other comments offered on the proposed temporary regulation. The hearing was adjourned at 10:15 a.m.

Respectfully submitted,

Jeanne Reynolds
Recording Secretary
